

### **WHAT WE DO.**

Clearly playing Old English Bowls is a big part of what we do.

We play every day, except Sunday's from the beginning of April.

Organised play takes place in the afternoons , until the end of September

on Tuesday, Wednesday , Thursday ,& Saturday .

And in the evenings on Monday , Wednesday , & Friday.

Members can play independently outside of these hours providing maintenance is not in progress.

The "Club is fiercely independent " and its members are expected to use the skills they might

have to support the activities involved in running of the club whenever this is possible.

#### **These activities include.**

1. Maintaining the greens and the club facilities
2. Providing afternoon teas.
3. Assisting and organising events.
4. Upkeep of the grounds ( Titchfield Bowling Club was recognised in the 2017 Village in bloom event.
- 5 Support Fund raising event activities.

6. In addition the club also:

Plays Short Mat bowls once a week during the winter months.

Holds regular social events through the playing season and the winter months.

Competes in friendly matches against other Old English Bowls clubs.

Namely Alverstoke and Hayling Island.
