Dear All

I did say that I would write to you all again this week with further news following our postponed opening to the season.

First the bad news:

- The fixtures with Alverstoke will be cancelled, as will the home fixture with Hayling in April. We have left the away game at Hayling in September in place in the hope that things will improve.
- The normal club competitions will not be staged this year.
- Other than the rearranged skittles evening at the Crofton on 11 Sep, there are no planned social activities at this time.

The good news such as there is, is:

- David Jones is arranging with others the upkeep of the greens, car parks and gardens so that we can get started as soon as the coronavirus situation improves sufficiently for us to play safely.
- Weather permitting we will extend the season till the end of October. [We have yet to decide if this means delaying the start of short mat]
- If at all possible, we will stage an end of season "Awards Dinner" even if we have to change the name.
- And finally, David & Norma Cumming are organising a weekly quiz that can be accessed from the website.

This is how you can take part in the quiz:

The first quiz will go out on the website this Sunday morning [29 March] with 22 questions. The answers will then be posted on the website, the following Friday [3 April]. You then send your results to Dave & Norma at Fideler1@ntlworld.com by the following Friday and they will keep a master list of results. The pattern will then repeat weekly until we get back outside again. No cheating or conferring!

The page is already there waiting for the questions to be posted on Sunday morning and can easily be found by following this link [Weekly Quiz](#)

If you would like to take part but are not confident enough to use the website, email Dave & Norma with your email address and they will send you a copy, BUT PLEASE try the website first as it should be very easy and less work for Dave and Norma; no passwords or the like involved.

Good luck

Dennis
