Dear Member,

As we move towards the last few weeks of the outdoor playing season, I want to update you on a few items of news and changes I have agreed with the Chairman:

- Club Playing Times. The green is reserved for club roll-up afternoons each Tuesday, Thursday and Saturday afternoons from 14:00 to 1600. A nominated 'play marshal' will record the names of everyone attending for contact tracing purposes. The green is open for self-organised play Tuesday to Saturday after 1200 and outside of the organised roll up times. No booking for these self-organised times is now required but anyone playing must write the names of everybody on the club site in the diary located in the club house. NB The green is closed Sunday and Monday.

- Indoor Bowls – The future of our indoor season is still uncertain because of the Covid situation. The earliest we could start is November, but it has not been possible to make any firm plans to date. If the Community centre can accommodate us and there is clear guidance as to how we can operate, it is the committee's wish to provide an indoor season if we can meet all the necessary safeguards. I will keep you informed as things develop.

- AGM – Again it is not yet possible to set a date for an AGM. The committee will be meeting soon to propose what we can do and when. Again I will update you of any developments.

- Informal Doubles Competition – The 21/21 Doubles has now reached the knockout stage. You can find out what has been happening by following this link to the website 21/21 Competition.

- Weather – Playing on into October means it is likely we will encounter bad weather. Please be sensible if the surface is very wet or raining, as spreading the wet paint across the greens creates a lot of extra work for David J and his helpers.

Stay safe and enjoy what is left of the season.

Dennis Dowsett  
Secretary
