Dear Member

I would like to update you all with some dates for your diary.

**21/21 Finals Day** – The final of the main competition and the consolation event will take place next **Wednesday 7 Oct with play starting at 1400**. These matches usually take about an hour and the awards will be made immediately after completion of both matches. Spectators are welcome provided social distancing is maintained and you enter your names in the diary. The matches are

Dennis & Iain v Gary & Dave J.

Irene & Peter Taylor v Vanessa & Peter Nash

### **Indoor Short Match Season at Titchfield Community Centre**

A start date has been set for Thursday 12 Nov for play between 1400 & 1500. The numbers we can accommodate will be reduced and there will be restrictions on the mixing of teams. This is provisional on the COVID19 restrictions in force at the time and us, as a club, being able to comply with the Community Centre's Risk Assessment.

### **AGM**

The Club's AGM has been set for Monday 30 Nov between 1400 & 1500. It is hoped to accommodate a maximum of 30 members in the main hall of the community centre, but it may be necessary to use some form of online communication dependent upon the regulations in force at that time. It is inevitable that the meeting format will vary from previous years.

I will keep you updated as more details become available.

Dennis Dowsett

Secretary
