

The Parish magazine, Titchfield News, contains information about both Church and village life. It has been published bi-monthly since June 2020 and copies of the June August and October magazine are available at <http://www.stpetertitchfield.org.uk/titchfield-news> .

There is a facility for online copies to be read aloud. Please see:

Titchfield News will be delivered to people who have paid a subscription as soon as possible after lockdown ends on 2nd December.

From Saturday 5th December, copies of the December issue, costing 80p, are available for people to buy during times when the church is open for private prayer (currently Tuesday, Thursday and Saturday from 11.00 am until 3.00 pm.). Please just ask a steward for a copy and, if at all possible, have the correct money because they are not able to give change.

We are unable to sell the Titchfield News on Sunday mornings for the time being.

The December 2020 issue of Titchfield News will be available online from February 2021.

We do hope you enjoy reading Titchfield News.
