

2020 AGM -Member Feedback Received

	Observation	Action/Response
1	What should the winners of the club trophies in 2019 do with the trophies they are holding?	Sec replied that, if possible, please continue to look after them until at least the start of the 2021 season. If not possible please inform the Sec.
2	Should there not have been an election for the proposed committee?	Sec replied that adequate requests for volunteers, with due notice, had been given which resulted in a total of 10 candidates, the maximum number of members required by the constitution. Consequently, unless any justified objections are received a ballot is not required.
3	What is the situation with the monies paid for the cancelled skittles evening in March?	This has been fully dealt with. The money was paid back by cheque or was held by the Treasurer against next season's subs or was kindly donated to the club. It is reflected in the Treasurer's report.
4	There is typographical error on the Treasurer's Report for the Reserve Account and Reconciliation which should read 01/09/19 and not as printed 01/09/09.	It will be made clear in the final 2020 "AGM" minutes.
5	A suggestion was received as to possible action to improve the problems with the southern boundary car park.	This will be considered firstly by the Maintenance Manager and possibly the committee.
